

ASC named to Branham 300 “The Next 50” Top Canadian IT Companies

Ottawa, Ontario, (April 24, 2009) – Advanced Software Concepts Inc. (ASC), provider of tailored industry-specific Contract Lifecycle Management (CLM) solutions is pleased to announce its inclusion in this year’s prestigious Branham 300 list of “The Next 50” Top Canadian Information Technology Companies.

“The Next 50” is a new list proudly introduced this year by Branham 300 to recognize the next level of pioneering Information Technology companies in the ever growing Canadian ITC industry.

“Inclusion in this year’s Branham 300 “The Next 50” list is a credit to ACS’s resiliency and ability to maintain positive growth in a struggling economy. ASC ascribes its success and steady growth to its innovative solutions, exceptional team of employees and its ongoing commitment to meet or exceed customer expectations” says Shawn King, President and CEO of ASC.

Now in its 16th year, The Branham300 continues to highlight the top Canadian Information Technology Companies. It represents a truly unique and insightful piece of intelligence on the Canadian IT market. The listing has become pre-eminent the world over as the authoritative indicator of the health of the IT industry in Canada. The Branham300 (www.branham300.com) highlights top Canadian and multinational IT companies in Canada and has become known as the most comprehensive and trusted source of information on the health of the Canadian IT industry.
